

1. *Coltrane Changes Part 3 – Reharmon in all pieces*

- a. When applying the Trane Reharmon to any tune we want to look for 2-5's we can you use. Not all tunes will have a full 2-5-1 for us to reharmon but we can use the beginning or the end of the Trane reharmon. Here's an example of using the beginning part of the Trane reharmon to start the 2-5-1 off.

Here's an example of using the end of the Trane reharmon to resolve the 2-5-1.
