

1. *Popular Two Handed Voicing Series - Minor Part 1*

- a. There are a lot of popular two handed voicings for many chords. Here is a great minor voicing that will help spread your hands out and create rich harmonies at the same time. In this voicing, our 3 and 7<sup>th</sup> are in our RH which is perfectly acceptable. We just need them to be in the chord somewhere. Our LH has 1, 5 and 9, while our RH has 3, 11, 7 and 9. (See below).
